## **Child and Adolescent Neurology Consultants Payment Policies**

Health and accident policies are an arrangement between you and your insurance company. We bill your insurance as a courtesy to you. It is the patient's responsibility (or the parent if the patient is a minor) to know the requirements of your particular insurance policy and the facilities that they are allowed to use in order to receive the best possible benefits.

The patient is responsible for any co-payments and/or deductibles including services not covered by your insurance plan, as well as the amounts the insurance carrier denies as the patient's responsibility.

**Please be prepared to pay for plan co-payments at the time of service, otherwise the following fees will apply:**

- **A \$10.00 administrative billing fee for non-payment of co-pays and cash only visits.**
- **A \$25.00 non-cancellation fee will apply for appointments not cancelled within 24 hours of the scheduled appointment date.**
